I would absolutely love to participate in an overflight; unfortunately, I don't think I'm going to make it to the August meeting. Thanks for asking.

Subject: Bristol Bay watershed overflight

I have been looking into the cost of an overflight of the Pebble Deposit and the Nush/Kvichak watersheds. Some of the people we thought might benefit, such as Jim and Joe, will not be at the August meeting. Are the rest of you interested? What day would work best?. I need a head count to determine the size of plane.
